

2014 Community Fireworks Fundraiser

Dear Parents and Supporters,

Help our Girls Brigade make a difference for medically fragile children – support our girl's joint community fundraiser benefiting KIDS Foundation special needs children and our own Company Programme at the same time.

3 Good reasons for your family to support the Girls Brigade 2014 ALL4GOOD Community Fireworks Fundraiser

1. You love the good family fun of quality fireworks
2. You have a heart to help special needs children and want to encourage our girl's to complete this as part of their Community Service.
3. You want to help raise funds for our Girls Brigade Company

If your family and friends enjoy Fireworks as a treat to celebrate Guy Fawkes, New Year, Diwali, special birthdays or just for pure fun – then our ALL4GOOD Community Fireworks Fundraiser is perfect for you.

Pyro Company fireworks are a high quality and respected brand – families can achieve the convenience of their fireworks being pre-ordered to avoid disappointment and hassle of queuing to buy in November, plus supporting 2 very good community causes – IDFNZ KIDS Foundation AND their local Girls Brigade Company.

All Fireworks must be purchased by adults (over 18yrs), the Company have appointed a leader to oversee this process. Fireworks orders are placed/ paid for in advance then delivery will be organised by your Company leader 2-5th November (the legal selling period). All delivered orders will be handled by leaders and be accompanied by safety instructions for good safe fun supervised by adults.

Complete your order form overleaf and return it with your payment to your Company leader.

Thank you for your support!
