

## 2014 Community Fireworks Fundraiser

Would you like to help special need children while raising funds for your own school?

### 3 Good reasons to be part of our 2014 ALL4GOOD Community Fireworks Fundraiser

1. **You love the good family fun of quality fireworks**
2. **You have a heart to help special needs children as part of your Community Service**
3. **You want a new way of raising funds for your school**

If your family and friends enjoy Fireworks as a treat to celebrate Guy Fawkes, New Year, Diwali, special birthdays or just for pure fun – then our ALL4GOOD Community Fireworks Fundraiser is perfect for you. Join in now and support the IDFNZ KIDS Foundation registered charity AND your own school – all at the same time.

This is one fundraiser where all school and local community families will really want to participate. Pyro Company fireworks are a high quality and respected brand – families can achieve the convenience of their fireworks being pre-ordered to avoid disappointment and hassle of queuing to buy in November, plus they are supporting 2 very good community causes – IDFNZ KIDS Foundation AND their local school.

All you have to do to participate in this exciting event is:

1. Nominate a named adult to be responsible for managing and receiving orders, payments and stock delivery.
2. Distribute the printed order forms to your school and community families and work contacts.
3. Collect orders and payment from individual customers. NB: All orders must be from a named adult 18yrs +, fireworks cannot be legally sold to children).
4. Complete the master order form and pass on your school order to KIDS Foundation with full payment. (Remember to provide full name / delivery address details / contact number and email).
5. We can accept orders from June 1<sup>st</sup> onwards. Final pre-order date is Monday September 1st (Term3). We recommend you order early as we have limited stock and some items may sell out.
6. We will acknowledge your order and arrange courier delivery of your order to your nominated contact in time for w/c November 2nd. (The legal period for handing over “sold” fireworks 2-5<sup>TH</sup> November).
7. You can then arrange collection by your adult customers. (A supply of fireworks safety leaflets will accompany each order to be handed to customers with their fireworks)
8. Each participating school will be rewarded with a cash donation to the value of **10% of their total order**. (To be paid by cheque or d/c to the school by December 20<sup>th</sup>).
9. The school will also receive an **ALL4GOOD certificate** to acknowledge their participation in our community fundraise assisting the Kids Foundation registered charity. (We can also provide **volunteer certificates** for any individual service records / Duke of Edinburgh etc. if you let us know details of any particular students championing this).

This is an **easy** and **unique** fundraiser for your school - a treat most families love and can only buy once a year. Any family that would normally buy fireworks will choose to support your ALL4GOOD fundraiser because they can see that it truly is a community fundraise helping 2 important groups of youths in their community.
