

## **Invitation – Refresher Course for Wellington Home Infusion patients (Sub Cut)**

This is a 2 Hour refresher course running on 2 separate dates:

<b><u>Option 1</u></b> Date: Monday September 10 <sup>th</sup> Time: 10am – 12noon	or	<b><u>Option 2</u></b> Date: Thursday November 15 <sup>th</sup> Time: 10am – 12noon
--	----	---

Location: Education room, Respiratory department, Clinical Measurement Unit (CMU), Level 2 ,Wellington Hospital, Riddiford Street, Wellington .

Please RSVP to register your attendance.

Wellington Hospital is offering a special refresher course for Sub -Cut (SCIG) patients wanting to brush up on technique and procedures around home treatment. Lead by immunology nurse specialist Abbey Kingston-Burke, this is an excellent opportunity to ask questions, hear the latest information on treatment, product safety and processes for ordering and receiving your immunoglobulin supplies and consumables. This is a course our patient members have requested; the hospital has kindly responded with two date options offered. IDFNZ will host a light lunch in the hospital cafe afterwards.

Space is limited so please register as soon as possible.
