

Step Out for IDFNZ/ Kids Foundation

Sunday 26th May 2019, Cornwall Park Auckland

We are excited to announce that the Immune Deficiency Foundation NZ will be hosting our first ever Fun Run/ Walk event in 2019. It is intended that this will become an annual fundraising event for the Foundation whereby patients, families and friends can all participate together.

This inaugural event will take place in beautiful Cornwall Park Auckland on Sunday 26th May 2019, starting near the Observatory and will comprise a loop of the inner grounds along Olive Grove and Twin Oaks Drive, and a climb up to the summit of One Tree Hill (5.25km participants), returning back down to the domain area near the Observatory.

We invite members and their family , friends and to attend and to participate in the event which will be a new fundraiser in the Foundation's annual calendar.

The event will have a 5.25km run component, plus also an alternative 3.7km run/ walk component, so will be suitable for most levels of fitness. We will also be including a special 800m Kids Dash event for our junior participants.
